Sir:

Submitted herewith on a PTO/SB/08B form is a document known to applicant in order to comply with applicant's duty of disclosure pursuant to 37 C.F.R. § 1.56. A copy of the listed foreign document in German was submitted earlier to comply with the provisions of 37 C.F.R. § 1.98. Enclosed is the bibliographic data in English concerning the document and taken from the Espacenet database. A machine translation of the same document is also enclosed.

The Examiner is hereby informed that the Examiner of the corresponding PCT application has stated that the last line of the abstract of EP0774887 is relevant to claim 1, which is a view that the Applicant does not share.

The submission of any document which is not a statutory bar is not intended as an admission that such document constitutes prior art against the claims of the present application. Applicant does not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a prima facie prior art reference against the claims of the present application.

The undersigned Attorney/Agent of Record hereby certifies that the enclosed translation document is hereby submitted no more than three months from a communication from a foreign patent office in a counterpart foreign application or from said first knowledge by any individual designated in C.F.R. § 1.56(c), respectively.

Respectfully submitted,

September 7, 2005
